

## Project Art Quilt Banner Block of the Month 2024

Inspiration for this project came from [this Quilting Arts article](#)

Choose 5 letters and assign a letter to a month in the chart below. You can make any words or as many letters as you like; just try a different technique each month.

5 letter words: maker, quilt, craft, travel, cabin, happy, smile, peace, chill, cheer, hello, sleep, mommy, daddy, nanny, your name, kid's name.

Letter shapes and styles can be upper and/or lower case, same or different fonts.

Suggested block size is 8-inches square. You can vary sizes and shapes if you wish.

Blocks can be made into a banner or used as mug rugs/coasters. Bring your ideas to each meeting!

We have been compiling inspiration and links to tutorials for the techniques below in sections on [this Pinterest Board](#). We are constantly adding more so check it often. If you find a great tutorial or idea, send us the link so we can add it to the collection.
